## PURPOSE

The purpose of the Policies and Procedures document is to provide clear guidance to clubs in relation to the operation of Junior Football across the Peel District. These Policies and Procedures are as adopted by the Peel District JCC Executive Committee. This publication is a “living document” and may be amended from time to time at the discretion of the Peel District JCC Executive Committee.

Maintaining a positive game day environment is of paramount importance to the Peel District. Educating officials, coaches, volunteers and spectators is the best way to achieve that outcome.

One of the most important Bylaws in junior football is Bylaw 1, which can be found on page 4 of the WA Football Commission 2019 Junior Football Competition Policies, Rules & Regulations Booklet.

## RELATED DOCUMENTS

This document must be read in conjunction with the WA Football Commission 2019 Junior Football Competition Policies, Rules & Regulations which is downloadable from Club Hub, the link to this will be sent out when it is available.

## 2019 WAFC COMPETITION POLICIES RULES & REGULATIONS EXEMPTIONS

In conjunction with the WA Football Commission 2019 Junior Football Competition Policies, Rules & Regulations, the Peel District has the following exemptions which are specifically for the Peel District only.

### WAFC Competition Rules Year 7 and above girls and boys

Each team in the Youth competition is permitted to have three (3) Water Carriers as per the PDJCC Water Carrier PROTOCOL (Attached). These persons shall be clearly identified by wearing the approved WAFC uniform.

### WAFC POL.15D Match Operations: Game Day Even Up to be exempt for finals

The PDJCC would like our Youth players to be able to compete in the Finals participating within their own team. Teams will even-up on field and play with the same number of players, but players will not be expected to play for the opposition.

This is to avoid players playing in the opposition team while not participating to the best of their ability, which could in fact jeopardize the likelihood of a positive game environment.

### Year Groups for the Female Competition

To grow our Female Competition more, the PDJCC would like to have Year 12 females as part of our Junior Competition for the 2019 season. Therefore, we apply for the following Year Groups for our Female Competition- Year 4-6, Year 7-8, Year 9-10 Year 11-12. Play ups from year 3 and play downs from year 7 will NOT be allowed into Year 4-6.

### WAFC POL.10E Competitions Policy: Results, Premiership Points & E-Points

To encourage a positive game day environment across the whole competition, the PDJCC request to have the E-Point model applied to our junior competition, Year 3 – Year 6, as well as our Youth competition Year 7 – Year 11/12.

## WATER CARRIER PROTOCOL

### Competition Rules Exemption: Year 7 and above girls and boys

Each Team in the Youth Competition are permitted to have three (3) Water carriers. All Water Carriers are to be correctly attired in the WAFC approved uniform, ID Lanyards to be produced on request. Each of the three (3) Water Carriers are responsible to supply water to the players in one of the allocated three zones and they must only move through their allocated zone.

Diagram 1

- Water Carriers are permitted to enter the playing surface after confirmation that a goal has been scored by Either Team (as per diagram 1)

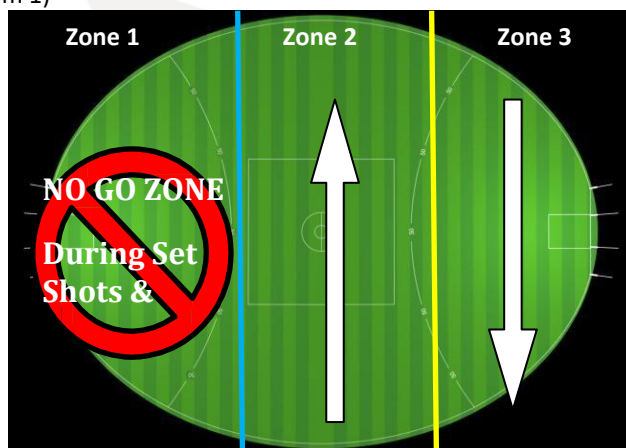

Diagram 2

- Water Carriers in the two non-active zones (Centre and Defensive as in Diagram 2) may enter the playing surface to hydrate players when a Set Shot for Goal is taken in the Forward Zone.
- Water Carriers in the two non-active zones (Centre and Defensive Centre and Defensive as in Diagram 2) may enter the playing surface to hydrate players when a behind is scored.
- In both cases, the Water Carriers are to hydrate players in their allocated zone and are then to immediately leave the playing surface when the ball is brought back into play.
- Umpires are permitted to be lenient in applying warnings and penalties in these circumstances and only apply penalties for **deliberate** or **persistence loitering** or **interference** with play or officials/players.
- No lenience at all shall be permitted with Water Carriers being in;
  - the Defensive Zone during Kick ins;
  - the Forward Zone during Set Shots;
  - or the Centre Zone during Centre Bounces to restart play;

**Umpires shall apply the appropriate penalty as per the Laws of the Game for these breaches.**

## RE-GRADE POLICY

**POLICY STATEMENT** - To provide an opportunity if required, whereby Year 7 to Year 12 divisions are regraded to ensure an evenly matched competition. The sole objective of this policy is to only re-grade if it will make the division more evenly matched.

1. During the first four rounds of the season, the JCC (or a delegated representative) will take a careful note of results. Games which have resulted in losing margins of 60 points or more will be highlighted.
2. The JCC (or a delegated representative) will seek brief input from the losing team's coach (via the Club President) as to why it was thought the team lost by such a large margin. A very brief reason is all that is required, e.g. "best players missing", "injuries during the game" or "not good enough to match skills".
3. At the end of round 4, the JCC will analyze the teams that have lost by 60 points or more. Where 60 point losses in one division have occurred in every match, that team will need to be considered for a re-grade.
4. At the end of round 4, the JCC will analyze the teams that have won by 60 points or more. Where a 60 point win in one division has occurred in every match, that team will need to be considered for a re-grade.
5. The JCC will use the 60 point margin as a guide only. If it is the view of the JCC that a team either deliberately avoided a 60 point win or could/should have won by 60 points, except for extenuating circumstances, then the JCC may also consider that team for a re-grade.
6. After round 4, the JCC will draft its proposals for any re-grade. Those proposals will then be forwarded by the Wednesday following round 4 to affected clubs for comments. The Clubs will be required to provide comments back to the JCC, either verbally at a formal meeting, or in writing, no later than the Monday following round 5.
7. After this discussion phase, and after giving due consideration to the Club submissions, the JCC will make a final determination on any re-grading.
8. The JCC will submit new fixtures for any re-graded divisions by the Thursday before round 6.
9. As a result of regrading, no division will have less than 5 teams unless it is deemed necessary by the JCC.
10. In the interests of equality, if a division with uneven numbers will require byes to become part of the fixturing, then a bye will be the preferred option – so long as that division is as evenly matched as possible, and there is no option to bring another evenly matched team into it.

## COMMUNICATIONS PROCEDURE

The PDJCC communication protocol for complaints are as follows

### 2019 SEASON

- a. Any person (coach, manager, official, spectator, and player) who has a match day complaint should attempt to solve it at the time through their team manager who will communicate with the umpires and opposition manager as required, within the scope of the Competition Policies, Rules & Regulations.
- b. If the issue cannot be solved immediately, it should be recorded appropriately and brought to the attention of the club's President, who should communicate with the other club's President to attempt to solve the issue, utilizing the processes and procedures each individual club should have in place.
- c. If the issue cannot be solved between clubs you must, within 48 hours of the incident, provide an official complaint to the JCC Executive. This complaint must be on a Club Letterhead, signed by the President and should contain evidence of attempts made to solve the issue at the time of the incident and evidence of communication with the other club(s) involved, as per the above 2 steps.
- d. **The JCC Executive will only accept complaints which proceed in this manner and will endeavor to provide an official reply within 7 days.**
- e. Constructive feedback to enhance our umpire education and growth can be done on the Online Form by close of business the Monday after the fixtured match, the link is below.

[Umpire Review Form](#)

Please remember we are all peers, not enemies. Communication between Presidents should be positive and regular and should be done in a way that seeks solutions rather than shifts responsibility. Your JCC Executive is here to help you through these processes, and provide a secondary option for conflict resolution

FOR ALL GAME DAY ISSUES/ENQUIRIES THAT HAVE ARISEN DURING ANY GAME PLAYED, THE PEEL DISTRICT JUNIOR COMPETITION COUNCIL EXECUTIVE RECOMMENDS THAT THE FIRST PORT OF CALL IS FOR CLUB PRESIDENTS TO DISCUSS ANY GAME DAY ENVIROMENT ABMNORMALITES BETWEEN THEMSELVES. IF THEY CANNOT COME TO AN AGREEMENT OR THE PROBLEM IS NOT BEING ADDRESSED, THEN THE CLUB PRESIDENT SHOULD ELEVATE THE ISSUE TO THE NEXT LEVEL, THE COMPETITION DIRECTOR OF THE DISTRICT BY COMPLETING AN INCIDENT REPORT AND ATTACH IT TO A LETTER ON A CLUB LETTERHEAD.

The aim of the Peel District JCC Team Management Plan is to ensure that all players are given an equal opportunity to participate and enjoy their football regardless of their level of ability. It is widely accepted that this task can become difficult due to a variety of factors such as large team numbers, player and parent competitiveness, lack of volunteers etc.

It is therefore requested that this plan is compiled by the team's coach and their assistants and distributed to all players and parents within the team, the club's committee and the JCC Executive for discussion and approval prior to the commencement of the season. Plans may include any additional information such as player and parent rosters, holiday schedules, injury reports etc.

If your team requires a management plan, please request a copy from your Club, the completed plan is to be returned to the JCC for consideration, via your Club representative.

When developing a plan, Rules & Regulations Number 1, which can be found on page 4 of the WAFC 2019 Junior Football Competition Policies, Rules and Regulations book, needs to be adhered to.
